

KIKADINGO OF FLYING CROSS BCS # 765

Nominated by Jared Bueling and accepted by the Board of Directors at the winter 2022 meeting.

I, Jared Bueling, would like to nominate Kikadingo of Flying Cross, BCS # 765, for consideration of Hall of Honor for Animals. I was too young during his time to describe him physically, I will have to ask my dad and grandpa details, but I remember listening in a lot of conversations about Kikadingo's impact on the breed. I remember my dad and Steve Schmming discussing Kikadingo vs Cowpoke of Flying Cross. Cowpoke was the perfect looking bull at maturity, but Kikadingo surpassed him with performance passed down to his offspring. I am not sure about this, but I would wager Kikadingo showed up in more pedigrees than any other bull in the 90s. One thing to note was Kikadingo had a somewhat narrow belt, but threw a very high percentage of perfectly marked offspring and cleaned up a lot of white feet issues.
